“ I always loved seeing Don and Albie come into the YMCA most afternoons. They became a bright spot in my day. They were even Members of the Month! They would always talk about looking forward to having ice cream once they got home. We talked about gardening and they gave me good tips on growing my vegetables too! I know for Don it got harder to get around and it was a sad day when they could no longer come to the Y.

Don, I know you've already met Jesus and you're walking on streets of gold with no more pain. And, I'm sure you've got quite the garden! Can't wait to see you again some day!

Missing you,

*Cindy Sappington
