“ *Janice & Family,*
We have far too many good memories to share them all here, but being friends since the 1950's and raising our children together is a precious memory. The card games we played over the years, taking you to the hospital to have one of your babies as Don wouldn't be able to get home from work in time to do it, such wonderful times. I know

Don will be missed so much but we can rejoice that he is now with our Lord, not in pain or suffering, but at peace. May God give you comfort and peace as well.
