“ Dear Family, I want to share with you how much your mother meant to me and how much I cared for her. In July when I last visited with her it was so good for her to be able to still remember me and we talked about heaven and meeting there. We prayed together as we always did, discussed family, grand children, great-grand children and all of you and our family being ready to meet the Lord. We both agreed that the Rapture was coming Soon and we wanted our family to all be ready. From the time I met her there when I was there for therapy I have always appreciated her spirit and friendship. She was One very special Lady!!! With Love and Prayers of comfort for all of you, Janice R. Smith. I plan to view the funeral on the website as I am in Ohio with my daughter with serious eye problems at the moment
