“ I will always remember Aunt Donna and her kind heart. When I got pregnant with my son she helped me with baby clothes. And she told me that I was a strong person to stay in school and raise my son and that a baby wont hold me back only I can hold me back those words have stuck with me my whole life. I miss you Aunt Donna but now u get to walk with Jesus

“ *Randi, Andrea, Neka and Jimmie, my heart aches for each of you as you grieve the loss of your precious mom. I have so many wonderful memories of her back in the day when all you kids were young...our family's made a lot of wonderful memories together. Your mom's smile could light up any room along with her infectious laugh! She loved you kids well and you will forever be her legacy of love. May God pull you in close as you travel this unwanted journey of grief and may He comfort you as only He can. Know that time won't heal the wounds...only God can and He has each one of you in His hands! Continued prayers for each of you, love you all so much!*
