“ I had the privilege to work for Doris for a little over 3 years! she was an amazing woman and a great friend. I will always miss our times together watching cold case and judge Judy. I always made the joke that I was her personal comedian, no matter the circumstances I would come in chipper and ready to make her laugh. Seeing her smile was the most rewarding thing! I am thankful to had the opportunity to spend her last few months treating her to her favorite ice cream, sour cream and cheddar chips, and Swiss rolls. I miss her dearly and will love her always 💕

“ So sorry for your loss, Doris was so sweet and kind, always had a warm greeting for you when you would see her out and about.

Celebrate your home coming Doris; our tears of sorrow are for us; you will be missed, yet tears of happiness for you are home with Jesus. Give Kathy and your mom a hug for me.

“ I will always have great and fond memories of working with Doris at Hickory Creek Nursing Home. She was a hard worker despite everything she went through. She would walk to work in all kinds of weather. She loved her kids and I remember her taking them to Special Olympics and how proud she was of them. Doris rest in peace now you have earned it.
