“ Angie, there is one thing that sticks in my mind about your dad, and I believe you will remember this also, he left a lasting impression!

Jr. high, we skipped school one day, it just happened to be the day the whole town of Andrews skipped. Your dad found us at the State Forest, he pulled up behind the car we were in and he made us get in the vehicle with him, he took me home, where before I was able to get out of his car, my mom got ahold of me, I think you remember the rest.. but I never skipped school again..

So sorry to hear of his passing, you and the family are in my thoughts and prayers
