“ Aunt Dottie gave me unconditional love during my childhood and later. She was the daughter of my mother's best friend, so our families visited often. Aunt Dottie seemed almost magical to me, since her persona was gentle and kind, and my "real" relatives usually scared me! I hadn't talked to her in a number of years, but I thought of her often, especially when life stress got me down. Then I'd think of how I felt when I was with her. And I will have her with me the rest of my time here on the planet.
My love to all her offspring.

“ Such a dear and special Lady. We were "picked relatives" [those one would have chosen to be related to vs "blood kin"] but that relationship lasted all of my life and 72 years of hers. Dottie and my Mom were best friends. It touches my to think of her presiding over the table of "92's" at the assisted living facility and to know I was on the list. She loved unconditionally and well. I will miss her. Hilda Miller

“ A dear sweet lady that brought joy to us every time we saw her. Always smiling, and never a word of concern or problem. We know that she is now with our Lord and making others happy also.
