“*Doug was my supervisor at Midwest Tool and Die. He taught me everything he knew. He helped me out a lot when I was new to the business and I eventually took over for him when he moved on to other things. We shared a lot of laughs and had great times at work. He was a great mentor and i will always appreciate the knowledge and advice he gave me over the years. Gonna miss you Doug. Prayers to the family. So sorry for your loss.*”

“ Shared lots of good times with Doug playing softball, cruising, going to concerts and especially fishing. I'm so glad we made it out fishing few times this year. I hope he finds a few good spots to fish.
