“ Just found out about his passing. He was such a nice man when I shopped at the Hallmark store in Huntington. Always willing to help and always had a smile on his face! I missed him not being in the store when I was there and now I know why he wasn't. Praying for his family. I know this is late but I just wanted to share a memory with you.

“ *We all will miss Uncle Duwane so much. I always remember holidays at the house, and the aroma of his pipe tobacco. He always had a twinkle in his eyes... Brandon and Diana especially enjoyed sharing stories with him of their times in Demolay and Rainbow... Mary was so glad to have met him. He really made her feel like part of the family right away. Although we were only able to visit a few times after we were married, Mary will always remember him fondly. He was so sweet to her. Deepest condolences and Love to all.*
