“ I'm so sorry to hear of Edna's passing. Bob and Edna held quite a memorable place in my life. When we were kids and living in New Castle my favorite thing to do was to join Mom for an "Edna visit" and go to the farm. Our family did finally get horses of our own years later, but my love of horses grew significantly from those early years visits. And I will always remember (pardon if the name is wrong) Narf?? The most wonderful collie-dog ever. I'm heartbroken for the family and am sending prayers. But we were blessed and our lives touched by having known Edna. I wish there was something more I could do. Rest in peace, Edna. You were a wonderful woman and a great friend to my Mom ... for many, many years. -Amy McCurdy Kelly
