“ It was my pleasure to be able to work with Ed at Shuttleworth for many years. He could always be counted on to have a smile and help me with any of the projects that I had. He was so very dependable and did great work. Thankfully, I was able to stop and see him after he retired and thought of him often. I will miss him and his kindness.

I know the family is in mourning, but heaven is a better place now that he is with the Lord. Kathy and I will pray for them in this difficult time. May God bless you and keep you in his loving arms.

With deepest sympathy,
