“ Dear great grandpa Ed, I will miss you dearly. I know that I didn't get to see you much but one of my favorite memories was Christmas at your house, you would come around and talk to everyone individually making sure they knew they were welcomed into your home. I'm sorry I haven't been able to see you for awhile and I'm sorry I couldn't be there, God knows I wanted to. I know you are happier in heaven with grandma Phyllis, some day I will see you again. I love you grandpa Ed forever and always.

“ Uncle Ed was a wonderful man. My favorite memories of him were many times he'd come to my mom and dad's house with his guitar. We would all sit around and listen to him sing. He had such a wonderful voice. He was and always will be very much loved and missed.

“ *Dear Kathy, Ray,, and Jeff,
My Condolences for the passing of your dad. It's so hard when a love one passes on. The Bible tells us the greatest gift is love. I say memories are a close second. Thank God for the love we share , and the memories we have of our love ones.
In God's love,
