

Eliana J. Miller-Hosler

February 5, 2002 - March 25, 2026

Eliana Jolee Miller-Hosler, aged 24, of Warren, passed away at 2:50 p.m. on Wednesday, March 25, 2026, at Riley Hospital for Children in Indianapolis, following a courageous five-year battle with Acute Lymphoblastic Leukemia.

Eliana was born on February 5, 2002, in Huntington, IN, the daughter of Jeffrey Miller and Patricia (Weinley) Eckart. She graduated from Huntington North High School with the class of 2021. She attended Life Church in Huntington. In the fall 2025 Eliana and Jayce Hosler made a commitment under God in a spiritual union.

Eliana was faced with many obstacles but never once let them define her. She loved everything about nature and the beauty that was within it. She enjoyed the tranquility of the ocean and the calmness of the beach. The transformation of butterflies reminded her of new beginnings and freedom. Eliana was always attracted to animals, especially her fur babies, Nova, Luke, and Marshall. She also took great pleasure in being an Aunt. The love she poured into her nieces and nephews was limitless, and what she received in return was more than she could explain. Her gentle spirit and unwavering resilience inspired those around her, teaching others to find joy and strength even in challenging moments. Whether spending time outdoors or sharing laughter with family, Eliana embraced every experience with gratitude and warmth.

“ *I will always remember the friendship that my daughter Kalie had with Eliana. They would laugh, and compete with each other, and were always goofy. They had so much fun; hanging out in the pool, doing gymnastics and of course, making a mess of the bedroom. 😂 Eliana was always a joy to have around. She will forever be in our hearts.*
