Nancy, I came across your dad's obituary from 2011 and your mom's from 2018 today. I'm pretty sure you are my old friend from the 60's. If so, you will remember the great Winnebago trip from Oak Lawn to Okeefenokee Swamp and then to Disney World in Florida. What fun that trip was!! So any great memories... I noticed that your last name is now Ross, and I so hope I can reach you. My name is Shari (Russell) Slater. I am now 72 and have moved to live in many states over my lifetime. I finally settled in Arkansas in Hot Springs, wheee I met the love of my life at age 42. We were married 29 years, but sadly I lost him 16 months ago to Acute Myeloid Leukemia. We had just 20 days from his diagnosis to his death. It's been a grueling year. I am still a JW, as was he. He had a 10 yr old daughter when we married, and I did as well- both from previous miserable marriages. I really would love to connect with you. I'm asking the funeral home to forward this note to you. If it makes it. My phone number is 501-282-5612. My email is gatergirl1000@gmail.com and address is 414 Thornton Street, Hot Springs, AR. Please, please get in touch with me. I was just 17 when we shared that Florida trip, and I am now 72.
