“ Reverend Spencer will be sadly missed by me. He carried a "heart of Gold" to all that touched his life. He understood people so well and gave comfort and advice to many and did not judge. My memories of waking up, heading to work and finding an egg McMuffin on my truck hood. He knew I needed a prayer and breakfast for the day. My deepest sympathy to the family.

Sadly missed, Jeff

much. He taught me a lot about the bible and
always had a smile and a big hug when we
saw each other. He helped me a lot through
my personal troubles. I will miss him very
much. It won't be the same not seeing him but I know for a fact
where he will be. I know that he will be one of my angels and

“ My husband and I were blessed to meet this man and his daughter one day at Johnnys. We were getting breakfast and going over our agenda that day for the Honor Flight Benefit we were hosting with The Freedom Riders Chapter 5 here in Huntington. There was no where to sit and they let us share a table with them. While going over our agenda they over heard us and began telling us about their trip with the Honor Flight mission. He told us about the things he saw and what they did for the Vets on the plane and off the plane. You could see in his eyes how he enjoyed himself on his journey. It made our day knowing how special it was for him to have the honor to go on that flight. He was in the back of my mind with every person I then talked to after that day to make as many Vets possible for our benefit to be on the next plane. We paid for their breakfast that morning and Thanked him for his service. We raised enough money from our benefit to send 7 more vets on the next flight. And all my husband and I could think about was our breakfast that one day at Johnnys and to make more Vets feel the same as he did. We are so truly blessed that we got to meet him and here his story. Our deepest sympathy to his family and friends. He was an amazing man in the 30 minutes and left a impression on us that we will never forget!
