“ When my son had Mrs. Teusch for first grade, and then for second, I became convinced this amazing woman was exactly the teacher he needed. Her love, patience, and enthusiasm spilled over in every way. Then my daughter was so blessed to be in her class last year. The only comfort in her early departure from this world is how amazingly well she used the short years she had. So many lives nourished! We ache alongside you. May God wrap His loving arms around you and grant you peace.

“ *A life too short, now a void too big. How does one come up with words to describe the difference someone such as this makes in the world. She was changing the life of my little boy. He prayed for her constantly and misses her desperately. We as a family have benefitted from your love and now we also bear your loss. Thank you Mrs. Teusch for being an amazing teacher and a beautiful gift to this world. 100 years of you wouldn't have been long enough!*

“ You do not know us but we were friends of John And Nondus when we lived in Huntington. Met them through church back in the early 80's and remember Emily well. She was always so sweet to talk to when I would shop at the grocery and I'd try to get in her lane so we could talk many years ago. My husband and I were so shocked upon learning of her passing and we are so very sorry for the loss you and your children and all others who loved her are experiencing. Our prayers go out for you...may God give you all the strength to get through this terrible loss. Our sympathy and prayers for John and Nondus, too.

“ *She was my son, Jack’s Kindergarten and 1st grade teacher. She also tutored him. He is almost 16 now. We are both heart broken by the news. Her sweet smile and calming voice were treasures. I was happy that I got to wwork with her for a year as well before she transferred to Lincoln. This is a huge loss to the community, but we all know her soul in in heaven. My prayers go out to her family.*
