“ I loved to visit Aunt Esther and Uncle Jim when I was younger. We always had fun things to do at their house. I remember spending the week with them. Annie and I when horsebacking riding with her friends and my horse decided to stop in a creek and wouldn't go. I don't think I have rode a horse since then. Always good memories. Sending my love and prayers to everyone. Love Diana (Helen Daughter)

“ Always smiling.
It seems we never find the time to talk enough in life till we part but my heart will always be open to prayers till all our family meet again.
Love always.
