“ Ed and family,I had an early birthday from Mike last Thursday and of course it included the famous Chocolate cake with peanut butter icing Brenda had made. No birthday is complete without that cake!! I have often thought of Eunice and her smile, she had such a great smile.. and also of course her love of tea!! :) It was 1954 when your mother brought over a cake to our house on Nelson Street as a good neighbor . Mom had been frazzled about trying to get Mike to go to sleep or something (he was a newborn) .Eunice came over she gave the cake to mom and said welcome to the neighborhood and turnaround walked away and mom shut the door! Eunice said she could tell mom was in no mood!! They never spoke until mom had sent a Thank you note over, and a wonderful friendship began that's lasted 60 years. Rest In Peace Eunice.
