“ Thinking of you and your family at this time....I remember being at Earl and Evelyn's house, perhaps as a teenager. She was always friendly and smiling! Evelyn was one of my mom's best friends, and they both lived to 96! I always appreciated your cards to my mom, Earlene, and Evelyn's too. Diana Bonewitz Sell

“ To Everyone in Evelyn`s family:

I am very sorry to hear of Evelyn`s passing. I know that you are walking through a storm right now and that this is a very hard time for all of you. I know that a lot of people here at Sycamore Village will miss her. From what I understand, Evelyn moved into Sycamore Village in 2014. My Dad and I moved in here in April of 2015. I think that I know several family members, Earlene, Mike, and Amy, better than I knew Evelyn. I know that this is a very tough time now but I hope that there will be better days ahead for all of you. I remember that Amy and several other family members shared their condolences with me when my Dad passed away last March. It is always tough to lose a loved one, no matter when it happens or how old they may be. I am grateful to having been invited and then attending Evelyn`s birthday party last July to talk with some of you. I know Evelyn helped raise a very good family. Please try to hang in there. I send my best wishes to all of you.

“ *Earlyne - We were good friends when we were children and your family ran the Luther store. My mother, Jessie, was very good friends of your mother too. They kept in touch until my mother's death in 2001. I have very fond memories of coming to the store, especially the big parties they hosted for the neighborhood friends. I know you'll miss your mom a lot. She had a long life, worked hard, and was very dear to my mom.
May God bless you and your family*

“ *Earlyne and Family,*

I'm so sorry to hear about your mom. She was such a sweet lady, and I always enjoyed our conversations at the dining table when I visited with Mom. I know you and your family are really going to miss her. She had such a nice family and always felt loved.

Please know you are in my thoughts and prayers. I know the peace and comfort you have in knowing she is no longer suffering and is safe in the arms of Jesus and her loving family!!!

“ *Sending love and sympathy to all of your family. Aunt Evelyn was a wonderful lady. She was always interested in hearing about how everyone in our family was doing. She enjoyed seeing our grandchildren (her great nieces and nephews) and always had the "candy jar" ready for them. Aunt Evelyn would tell Don and me stories about when they were younger and share memories of things that happened in their lives. She told us about her and Uncle Earl picking up Dad during WWII at the train station on Christmas Eve in Huntington. They took him home to Andrews so he could go home and visit their mother for Christmas, before he had to go back to the The Great Lakes Navel Hospital the next day. She always told us she loved us when we left, and was always so happy to see us. We loved visiting and spending time with her. I could go on and on about all the fond memories. She will always hold a special place in our hearts.*

*Love,
Don and Charlene*
