“ Rick was my childhood best friend, he taught me many things ,one being how to stand up for myself , we had been wrestling and he ended up sitting on my chest and wouldn't let me up till I was so angry that I final threw him off . from that point on I was able to stand up for myself and others . Rick was the childhood brother I never had . We downed a Tent that one of other friends had been sleeping in the night before while he was still in it (Kevin Rittenhouse) .His mom used to make some killer chicken and dumplings.Over the years we would lose track of each and then reunite again . Rick you will be missed , Loved you like a brother , always enjoyed the times you would stop by the house.

*So long my friend
