“ *Gail was the absolute best co worker and friend a person could ask for. She always told you straight up no bull shit how it was, even if it wasn't what you wanted to hear. But she always delivered with such couth. I just loved her from the very day I met her. I could count on her to complete any task at the highest level and never wonder if it was completed properly. Jr loved when Gail would take him to his Fort Wayne appointments, he said she never took the same route twice (not that he would have remembered if she had lol) she was his favorite blonde, and his smartest blonde. Until we meet again Gail, I'm positive you and Jr are already hitting the whiskey on the other side.*
