“*For 27 years, I have been blessed to be a part of this wonderful family; and I cannot express in words the sadness I feel for your loss. Distance has kept us from visiting often, but each visit has always been special. Pat was such a kind, gentle, quiet-spoken man and always made us feel welcome. I will miss our times together with him and telling Connie on the phone to "tell Pat hey," but his memory will live on. My heart goes out to all the family, and I wish so much that we could have been there with you during this time. May God bless you with the comfort and peace that only He can give. We love you and hope to see you soon - on a brighter day!*
