“ I remember when Garry would literally run circles around all of us grandkids! He was quick on his feet and fast reflexes! Or how he would make fun of us for watching sex in the afternoon (soap opera's) always good for a laugh! I'll miss you!

“ Hello Elick family,
I want to tell you how heart broken I am for you. Garry was a great guy and good friend. I have many fun memories of him. The one that stands out to me is going to the drive in with him n Carolyn. (Texas chain saw massacre) I was between them in the front seat, watching the movie. A scary part came on n I covered my eyes I said to Garry ,tell me when it's over! A few seconds later (20) he said okay. So I looked just as the gross part happened. I smoked his arm said hey! He laughed so hard . He was always fun. By the way he always said he answering me . Okay that he would tell me when it was over. I still say he got me!
