“ I met George when I was 5 years old and we
were friends for life. We went through school
together and were partners in crime... if you
ever needed anything he was the first one
there to help. Always looked him up when I
came to Huntington to see family, we sit and talk and laugh about
the good ole days... Will miss you my friend.. William (Billy)

“ I feel blessed to have Uncle George, Aunt Joni, Aunt Rosie, Mother Jane, Father David, and Brother Robert visit my house April 30, 2022 in Tucson, AZ. It had been 20 years since I saw George and the Luscumb side of my family. We had a wonderful time eating pizza, exchanging stories, and just enjoying family. Uncle George you will be remembered by family, friends, and people you've helped. Your connections over the years have touched a lot of people personally. We love you!

Your Niece,
Jessica Luscumb

“ George was a pistol from the time he could walk. He always had some thoughts on how he could make money. He and I would share an inside joke between us that we were twins because we were the same age from his birthday on May 26 to my birthday on June 8. He loved that and always laughed that he was catching up on me. I loved him dearly and will miss his laughter. He was very competitive and liked winning. He always thought he had one over on you. He was a handful but I loved him. I will miss him so very much. He is in heaven now with his mom and sister and stepdad, Mike Rector and will be whispering in our ears he loves us all.
