“ So sorry to learn of Georgiana's passing; she was such an inspiration to me as to what it took to be a strong woman. She was dedicated to her friends, her family and her faith. She came to visit us a couple of times before we moved to Fishers and we shared stories about family and had a lot of laughs. She used to bring me peonies because she knew they were one of my favorite flowers that my grandma grew. She will be missed by many. Our deepest sympathy to the family ; you are in our prayers.
