“ I will never forget the story "Gladdy" told about the time she went shopping for face cream or moisture. Another lady was shopping also and recommended OIL of OLAY to Gladdy, said she had been using it for years. Gladdy was amazed because she had never met another lady with so many wrinkles for her middle age of about 45. Needless to say, Gladdy did not purchase Oil of Olay at that time. She was so funny. This memory is from Malinda Taylor. Sorry I cannot be at the viewing or service due to work. But you will always be in my heart.
