“ *Tami Giddens, so very nice of you to respond. I do remember you and all my first graders. It was a wonderful time in my life and I confess I really thought of each of you as my own child and loved you all. Today I have two grandchildren on which to dote and still have the "teacher" in me! All the best in your life. Love Miss Stahl lol*

“ *Mrs. Reid, I am sorry you lost your mother...I recognized the name in the Tab today...I was in your 1st grade class at Central (probably around 1968-69). I have fond memories of you and hope you are doing well. Had I seen this sooner, I would have stopped in to see you. Again, my condolences.*
