“ *Danny and Randy, I am sorry to read of Your Mother passing. I had met her at my sister, Maye's house and also had visited her at Oak Brook over a year ago. She was so friendly and I could see why Maye thought so much of Jean. Am sure that she will be missed and you are in my thoughts at this time.*

“ Danny, Randy and families, I am so sorry to learn of Jean's passing. We have been friends for over 40 years and we always said that we seemed more like sisters than friends. We worked together at E-Systems and had so much fun! She was such a down to earth person and I loved her so much and regret that the Covid has kept me from being able to see her the past year. I will miss getting to talk to her on the phone and had looked forward to getting to visit with her as soon as the Covid restrictions were lifted.  
Love to all
