“ I Love my Grandma, she spread her Love for everyone evenly, I have many memories of days spent with her growing up. I do have too many memories to ever write about here, I do know the feeling I had whenever I went to her house, I remember her frying hamburgers in her iron skillet, they were the best ever!! I try to follow in her footsteps as a Grandma myself. I hope that my grandkids will always remember me, like I will always cherish and remember her. I will miss you, Grandma, and I will see you again someday!!! Lots of LOVE, Cyndi

“ I pray for comfort for Irene's family. I loved working with her. She was always animated, happy , never a dull moment or never could one see her sad or grouchy. She was very witty and laughed a lot. I wish I will be like her light at heart like a little child. Loved her family. God bless her Soul. I will miss you Irene!! Joshua Doss PT
