“ Jack was my best friends uncle, I considered him my uncle too. One of my favorite memories of Jack, is him teaching his niece and I how to play Black Jack. Her and I were in our 20's and was traveling to Las Vegas for the first time. He certainly taught us how to play and luckily we were only playing for pennies because "The Dealer, Jack" cleaned us out! Later, Jack's mom (Zelda) found out about the Black Jack lesson. Not only did Jack get scolded but was instructed to pay our pennies back; still makes me laugh! Rest in peace, Uncle Jack.
Prayers to the family.

“ My thoughts and prayers to Jack's family. Jack helped me get a job at Majestic when I was in high school . Years later he shopped our store and it was always nice to visit with him when he did. He always talked of the 4-H and cattle shows and how he loved supporting the kids and their animals. RIP Jack! Cindy Prus

I was so sorry to hear about Jack's passing. I remember when he first started to work at The Majestic Co. I had worked there in the payroll department for a long time, and we became instant friends. In fact, he was the first person to call me by my middle name, Rose. That has stuck all of these years, and my grandchildren & great-grandchildren all refer to me as "grandma Rose ". I enjoyed those years working with Jack and always considered him a good friend.

“ *My thoughts and prayers go out to Jack's family. I met Jack when I would go to the Majestic for distributor meetings or to pick up fireplaces. As I would pass by his office or see him down in the factory, he would always stop me to say hi and ask me how I was doing and how business was. He will be missed by all the people who got to know him.*

“ *Jack genuinely cared about the community especially youth. He stepped up to volunteer later in his life with the Huntington Co. Cattlemen. His "quiet" leadership will be missed. Jack did a good job in any role that he served. Most of all, he was a trusted advisor and a friend.*
