“ *Jack was a beautiful, gentle man whom I knew for many years at Huntington College (as well as his later time at Juergens) - a favorite. And talented.*

My condolences to you, Janis, and the rest of your family.

“ I only knew Jack through his son Jeff. Jeff helped me in one of the worst times of my life and was a light in the darkness. That act of kindness by Jack’s son is a true testimony of the love Jack passed on through his children. So in short Jack helped me without even knowing me because of how he raised his children. May God be with all of you through this amazing challenging time. You all are in my prayers.
