Jack & Maradel took myself & sister to Vacation Bible School each summer. I will always be grateful to them. They made a great difference in my life. The simple songs & Bible verses learned then will always be with me, their memorial in my heart.

“ *I was saddened to read of Jack's passing but so happy of his Homegoing. Jack and Maradel were Audrey and I's SS teachers in the Kumdubble Class. So many fond memories of them and the other Snowdens. Charlotte had also been our teacher. A life well lived and now Jack is whole again. "No more night no more tears". For those who remain we pray that the Very God of Love and Mercy wraps you in His never ending care and grace.*

“ I was shocked and saddened to hear of Jack's passing. He was a wonderful, godly, and kind servant of his church and his God. My heart is grieved, too, for your great loss, but there's no doubt he is rejoicing with his Savior on Streets of Gold today. I'll always be indebted to him for my working years spent in the Nazarene District Office for he recommended me for that position, and I spent 42 wonderful years there.
