“ *In Memory of a Loving Dad*

His memories are a treasure that will never fade. Our times together were golden and precious memories were made. Through the laughter and the tears, I was blessed to have shared his love through the years.

Thanks. I will miss you greatly! Paul

“ I love grandpa for so many reasons, but most of all I loved fishing with him especially at night. He made us a tackle box and gave us all fishing poles that I will keep forever. He always gave us candy and made us feel so special. I will miss you Grandpa.
