“ I did not get the pleasure to get to know this young man for very long, He started working with us at Saf T Lite a few months back. James was quite and when he spoke he was so polite. I remember talking with him and how excited he was for christmas the presents he had gotten for everyone he loved. He was my sweeping buddy. I will miss him tremendously everyday i look over to where he would sit and do his work. He was a great kid and eager worker. Im gad to have called him my friend.

“ *From the few times I got to be around James he was nothing but outstanding. James was so polite to me and I never seen him ever be rude to anyone. I could tell from our brief encounters that he loved with his entire being. I am so sorry for the tremendous loss the family is dealing with. I love you all.*
