“ Mr. Wiley was my favorite teacher at Salamonie! I remember that he always called me by name and was seemingly smiling much of the time. He helped me with my golf game and gave me some much needed confidence too. When I ran in to Jim at the golf course, or community event, he always had something friendly to say. My heart felt condolences go out the family and friends of Mr. Jim Wiley.

We are so saddened to learn of Jim's passing. He was one of my teachers growing up in Warren. His kind smile and gentleness made our Junior High Days a little easier knowing that he was there. What a positive influence he had on me, as well as so many other students. Our sympathies go out to you and your family.

Nancy emailed me last night that Jim had passed away. I remember Jim playing basketball in high school & he was a pretty good player. Lancaster did real good in the 1950's winning their games. I know Jim is with God in heaven & waiting for his family! God bless all of you!
