“ Jane was a beautiful and kind lady. She was our neighbor in Florida. I will miss the get togethers that we had every Friday night. Oh and the fun Jane had with all of the shopping sprees with the Sun Harbor gang. She loved to invite everyone in her home for a little snack and a few drinks and it usually lasted a few hours. I remember having many talks with Jane when I would visit with her, and she was always caring, uplifting and just a sweet and lovely lady. Always dressed beautiful ! I will miss you Jane. Jane was a beautiful and caring lovely neighbor in Florida. She was a fun and uplifting lady. We had so many get together at her home every Friday night. She always invited people into her home and loved to entertain her neighbors. My mom and I had fun going on shopping sprees with Jane and the Sun Harbor gang. I will miss your kindness, your smile. She was the queen of Sun Harbor. Will miss you Jane! Heaven has gained another angel!

“ Mrs. Stoffel was one of the loveliest ladies you'd ever want to meet. A caring wife, a loving mother, and grandmother, and the warmest person one would ever meet. I knew her for almost my entire life. She had one of the most vibrant personalities ever. She was always one of the most fun mothers during high school. Suzie and I will miss her and we extend our deepest condolences to her entire family.

“ Lynn, Jolene, Joe and Ave,
Your mother was a dynamite woman. I am so happy I spent an afternoon of reminiscing about the many memories both of us shared.
She was pleased to have company in her room at the Heritage and I was delighted to visit before the COVID developed. My sympathy to all of you through this difficult time. RIP, Jane!
