*Janet you will be missed. I love you and miss you dearly. You was such a special sister to me. You truly touched my heart and made me humble. Of all the times I was taking care of you. I got back 1000's of times over just being your sister. I'll never forget all the times we played dolls as children, The times I read the Bible to you after church. One of my greatest memories of you was when I use to come to Norwood Nursing Care after church, and tell you about our Sunday School service. One day to my total surprise. You said to me " I want to be baptized" Talk about tears of joy. I had tears running down my face. How wonderful God let me be there for you. I then talked to Mom and Pastor Rolla Blair about getting you baptized..A very joy day...
I miss you. I know we will see each other again some day in Heaven.. I am so happy for you. You now know normal, in fact you are better than normal. You are perfect in a perfect body with our Heavenly Father ...
Love and miss you...
Your baby sister,
Saundra*

“ My name is Betsy and I had the honor of taking Gigi out on outings. She was always a delight, especially when her southern accent came out. It was a joy to help in aiding in her quality of life by taking her to get a pop, which was her absolute favorite outing. We are thankful that she is now singing and dancing and seeing her Momma and Daddy. Gigi will always be in my heart.
