“ Mom, I was blessed beyond imagination to have you as my mother, my friend, my teacher, my doctor, my guide, and my heart. No day will ever come and go without a cherished fond memory of you and that look on your face when I would act silly and it would drive you insane. All that I am, all that I have become, and the the very life I live could never have taken place e without you. And even though you have physically left us for the next phase of your journey, I feel you next to me every second since you left. Without you, I would not have had the last 32 wonderful years with my fantastic wife, whom you introduced me to. My children, my grandchildren, and for generations to come, are in debt to you and the job you did with myself and your other children. For that, I am eternally grateful, and I know I couldn't say it enough, but mom, I LOVE YOU SO MUCH!! And I'm so happy for you and jealous at the same time that your where you are, and I know one day, we will again sit and talk, and reflect on the life that we shared and smile.

So until then mom, hug grandma, Jeff and Cade and don't worry about us, we'll be there before you know it. I love you mom. your son Michael

“ Davis Family I am so sorry to hear of your Loved one. Losing someone so dear is devastating, and no words can ever really relieve that pain. But to help, I wish you courage and healing during these toughest of days. Cry when you feel like it. Let the laughter roll when it comes. And know that your memories will forever live on in the journeys you and your family shared together. May God bless your family during this time and restore peace and joy in the dats ahead.

“ Jan you were so much fun to be around. Worked with you and beside you the last 20 years at good old HMM , you were one of the first Nurses Techs to care for the Vernon Manor children. You showed so much compassion and caring for them as most of them had no family to visit. I remember you helping me bath and even cutting one of the little girls hair to keep it out of her trach. You will be missed by many .RIP
