“ *The world lost one of the best ladies I have ever met in my existence. Jan was like a grandmother to me while I was a part of the Hadley side of the family. I loved her kind words, cooking, hospitality, the list goes on. I feel blessed to have met her. I love you Jan and I promise you that I'll keep my act together. I sure hope you realized it was me when I saw you last. Rest in peace and I hope to one day see you again.* ”
