She graduated from Huntington North High School with the class of 2006 where she played basketball and ran track. She then went on to Brown Mackie College of Fort Wayne to study nursing. “ I was so shocked and saddened to learn of Jannelle's passing. I was one of her teachers at Riverview Middle School years ago. I have had thousands of students pass through my classroom, yet her brilliant smile and infectious spirit made her easy to remember. She was so bright, kind, and just a joy to have around. I am so sorry for your loss. -Denise King

“ I had the honor and absolute pleasure of having Jannelle in my very first 4th grade class. I still remember her welcoming smile the first day of school. You see, I was the new person, not her. I had transferred from the old Crestview Middle School, whereas she had been at Andrews and knew the place a lot better than I did. Back then we had to do recess duty, and I remember Jannelle and another wonderful young lady named Kendra coming up to me and chatting with me and asking me questions. It made me smile.

During the school year, Jannelle was a fabulous student and gave her best each and every day. (That is not an exaggeration!) I was very fond of her and enjoyed seeing her occasionally as a fifth grader. Then off she went to middle school, and sadly as many more fourth graders came and went, Jannelle became a faint memory.

That is until the day I met her two daughters that went through Andrews. When I first met the oldest one, I remember saying, "Wait...I had your mom. Your Jannelle's daughter! You look just like her!" I did the same with the next one, and made her fourth grader teacher, and my teaching partner that year, say, "Wow, you ARE old!"

Jannelle was the best, and she certainly made my life better the school year of 98-99- my first year at Andrews.
