“ Jean's sister Evelyn (Lung) Martin was my mother; who passed away 4 years 5 months ago today. Jean and Evelyn were so very close for many years, even though Evelyn lived on the west coast and the rest of her family (the many Lung siblings) still lived back home in Indiana. We are all saddened by the passing of my Aunt Jean; specially since the passing of her last remaining sister (Aunt Martha) this past summer; leaves only Uncle Bob Lung as the sole surviving Lung sibling of the Edna and Curtis Lung family. Being so close in age to my Aunt Jean, my mother (Evelyn) and our family spent many vacations and periods between dad's military deployments, visiting and staying in the Albion and Huntington areas. I have many fond memories of staying at Aunt Jean's and spending time with my cousins (Billie, Randy, and Curt) while growing up and even afterward as adults. So many of this large extended Lung family are no longer with us, but the memories of them in good (and sad) times remain to comfort us all as we stop to remember and honor my Aunt Jean.

To my dear cousins, Billie and Randy; and their respective families, my sincerest condolences.

Respectfully,

Pamela Sue Martin-Fallon

“ Jeans sister Carolyn Bortner was my mother in law. We loved her dearly. Carolyn always spoke fondly of Jean. Even though they lived far apart they always kept in touch. Carolyn is waiting in heaven to welcome her sister.
