“ Dear Bob and family, you are in my thoughts and prayers as your journey of Faith now takes you through the dark valley of the shadow of death. Jean's journey of Faith has taken her back into the arms of God who sent her to you to fulfill the roles of wife, mother, grandmother and friend to the best of the abilities he gave her when he weaved her together with a strand of caring, compassion, patience and understanding. You will have a void now that she has gone home so I will be asking God to send a comforter when you ask for one. I do thank God that he guided me to go visit her at heritage when I was back in Huntingdon last September although she pretended to know who I was my visit with her guided me in to knowing what to pray for and I see God answered my prayer according to his will which we all should be seeking as we walk by faith through each day. You will be in my Prayers since I can not be there for the visitation and funeral. May God be with you all. - rev. Russ chamberlain

“ Jean Ann was such a fun & outgoing person. We've shared so many fun adventures while working together at PSI/Duke Energy. You seldom saw her without a beautiful smile on her face, and she loved her children as well as other people's children, too. If anything happened to my kids, it was like they were her kids, too. Such a loving & giving person..! She will be sorely missed by all. My prayers to Bob as well as Debbie, John & Greg. Your wife/mother has left you a beautiful legacy with her unconditional love. You will be in my prayers in the days, weeks & months ahead. God bless you all. I have been so blessed by her friendship over the year.
