“ To Kathryn and Tom and family  
Sorry to here of your loss. When she and I would see each other, we referred to each other as the "other Jeanette", and then we both would have a good laugh. We have missed her at church, she was such a sweet lady.

“ To All the Bowman / Fisher Families,  
What a wonderful fun lady Jeanette was. I am so proud to be a cousin of hers and so thankful I had such a great visit with her in Feb. We laughed and cut up and she could still share our old family stories. Of course; as she always would say when she seen me in the hall; "You look just like your mother Edith, I would know you anywhere."

*So sorry for our loss but also so thankful for her long life of laughs. I will always miss her. I am so sorry I will not be able to be there Saturday, but know I will be with you in thought. Love Janet (Robbins) Pattee and Marlin too!*

*So sorry for your loss. I worked in the dietary department at Norwoods for awhile where Janette lived and got to know her real well. Janette shared many memories of her life with me, She made me laugh as well as feeling like sheading a tear or two. Janette would come to the kitchen window about everyday and we would talk about anything! She loved her word finds and when I had a few minutes I would help her find a word or two she really liked that! I sat with her at the residents Christmas party and we sang Christmas carols together so much fun! Janette was always wanting to help the other residents in one way or another. She told me more than once she wanted to go to each room and say a kind word to each one to help them feel better and have a good day. Janette will surely be missed. We hugged each other and told each other we loved each other many times. Janette is a true angel.*
