“ I had the pleasure to know Jeff through our business that our companies did together. I always found him to be the kind of man that represented his company with dignity and honesty. He always was upfront and was a joy to work with over the many years we worked together. I just found out today of his passing and I would have been there to pay my respects to his family, had i known sooner. I am proud to call him my friend, even though he loved Ohio State and I am a Michigan fan. Our Heavenly Father was proud of you and now welcomes you into your Heavenly Home. I will miss you Buddy. “ Kathy, Clarice, Pam and Family, I am so sorry for your loss. Jeff was a High School Friend and College Roommate. What a character, a vibrant personality and a great friend. While time has slipped by, memories remain of our times and Jokes together.

Cheers to you my friend - Loyal Buckeye

*Oh come let's sing Ohio's praise
And songs to Alma Mater raise
While our hearts rebounding thrill
With joy which death alone can still
Summer's heat or winter's cold
The seasons pass the years will roll
Time and change will surely (truly) show
How firm thy friendship ... OHIO!*

*These jolly days of priceless worth
By far the gladdest days on earth
Soon will pass and we not know
How dearly we love Ohio
We should strive to keep thy name
Of fair repute and spotless fame
So in college halls we'll grow
And love thee better ... OHIO!*

*Though age may dim our mem'ry's store
We'll think of happy days of yore
True to friend and frank to foe
As sturdy sons of Ohio
If on seas of care we roll
Neath blackened sky or barren shoal
Thoughts of thee bid darkness go
Dear Alma Mater...OHIO!*

“ Jeff and Pam were always like Santa and Mrs. Claus to our family! They would come to the house at the holidays with their car so full of toys and presents, that Pam had to sit with her feet on boxes. Our holidays will not be the same with our our fun loving -silly Uncle Jeff!!
