“ I loved loved this man with all my heart. I would give anything to bring you back to all of us. Jeff was the kind of person that if you called and said you needed help he would do whatever he could to be there to help you. Know matter if you was his wife, daughter , step daughter , brother ,sister or a friend he would never leave without saying "Yo love ya" or "Love ya brother. Like you use to write Jeff and Gerri Miller 4-Eva. I will miss you so much my handsome husband until we are together again.

“ My brother was a beautiful and caring person. He struggled his whole life. I miss him with all my heart. I am glad I hugged him and told him I loved him just 10 days before he passed. Jeff is at peace and is with mom in heaven. He is now watching over all of us. Rest well my brother. You are dearly missed. Hugs and kisses
