“ August 12 2023 I called up my best friend and told her lady I need a wedding dress please come help me. And we did just that with laughter and silly giggles all afternoon. That afternoon at 215pm I had found my dress and her smiles brought me into the dress. But I didn't care about my dress she smiling was my joy. My friend was there to share a girl's first moment buying her dress. Not I, I got to see my friend smile.

Kingston tagged along for the ride and he was such a good boy! So proud of Jenna and her kids. Finding my dress with a clapping of the hands from Kingston to sealing the deal! ... What's for lunch you ask?!? Taco Bell where we enjoyed the rest of day. What a wonderful lady. Thank you for being my friend !

Ps: my husband got Kingston to like applesauce and pink Popsicles.
