“ *I have known Jerry for many years. His wife Diana and I were BFF going back 40 some years. I was privileged to attend Jerry and Diana's wedding.
I stopped to see Jerry after Diana passed. He was getting ready to walk those sweet little dogs.
Jerry called me a couple times after Diana was gone and I could feel the grief and sadness in his words.
To Kelly, Patty, Tom, Spencer and Ben I am holding you up in prayer as well as his siblings Kathy and John. I didn't know John but Kathy and I had a connection.
Praying for all the beautiful step grandkids and great grandchildren.
The one consolation in this sad time is he is with his beautiful Di again.
RIH Jerry.*

“ *Please accept our deepest sympathy. Had spent some time recently with Jerry at dinner last week at Village Inn and going to the pinball arcade at Wizards World in Huntertown after. Had a very nice time. Have been friends since he worked at Larrys Speed Shop in Huntington way back in the mid 70's. Enjoyed going to the NHRA Nationals in Indy with him for many years. When my work travels would take me south I would stop by Crain Ford to take him out to lunch and he would have the buffet at East of Chicago pizza where we shared a lot of good visits. He will be greatly missed. Paul & Jodi Radziewicz- Fort Wayne*

“ Jerry was just a great guy, my husband and he played alot of golf over the last several years as well as getting together to cheer on I.U. mens basketball. We were shocked when we recieved the news of his passing. He and Bill had talked on the phone the Thursday before. I'll forever miss his voice messages saying "Hi guys, It's Jerry, in his sauve car salesman voice.

Very thankful he retired and was able to be with and care for his beloved Diana before she passed. He kept himself busy with family and friends but he missed her greatly. To know they are reunited lessens our sadness.

Thanks Jerry for the laughter and joy you brought to so many.
