“ Hazel Dell won't be the same without Jerry. He always had a good story to tell and never complained (too loudly) about any task he was asked to do. He will be missed by students and staff for a long time to come.

“ Jerry was a stand-up guy. Straight shooter. You always knew where you stood with him. A Class act. Truly a good hearted man. He took me "under his wing" when I arrived in Indiana and landed employment at PTG (Dana) and trained me well. Many a good night and good talk was had. Saw hi a few years back, and he was still the same kind soul. Rest in Peace, brother.

“ I send my thoughts and sympathy to Jerry's family. He was always cheerful and helpful tome at Hazel Dell, always willing to help with whatever task needed to be done. He was an animal lover and always brought special treats to the classroom pets! I remember him as a kind and caring man, full of laughter and a new joke to share!

*Jerry was a good friend to both of us and kept in contact even from a distance by calling or FB. He always managed to share a good joke or had a funny come back for almost any circumstance. Jerry was ornery in a good kind of way and just a genuine, honest to goodness person. He will be missed.*

“ I will miss Jerry here at Hazel Dell. He worked so hard and was always there if we needed anything. I recall him raising and lowering many of my desks so they were just the right size for my students. Jerry was always quick with a joke or pun. He seemed to enjoy his work here as well as the students and teachers. He will be missed by everyone.
