“ Grandma, I'll never forget all the stories you shared with me and the tons of laughs that came with it. All the crafts we use to do together and many days and nights we spent in the kitchen making anything and everything possible. You will truly be missed by not only myself, but by so many people. Till we meet again...I love you, Jenna

“ I worked with Joan at the Rehabilitation Hospital in Fort Wayne and we became close friends, she went to The Imaging Center to work and I replaced her position at the Rehab Hospital, we met often for lunch just to keep up. Joan loved her family and was very devoted to them, she always looked like this picture here, always dressed to the top and every hair in place and of course the big smile. After we both retired we did not see each other as often, but if she came to Ft. Wayne she would give me a call and if we could we met for a chat. She will certainly add a Beautiful Bouquet in Heaven and leave a great memory on earth. Stella Sgourakis, Ft. Wayne
