“ My Aunt Jody was an amazing women! She held a special place in the hearts of my family. Her and my Uncle Tim were there for us through the passing of my father and that meant more than words can explain. I always looked forward to seeing her. Her smile and never knowing what she would say. She just gave it to you straight forward and I loved that about her. My children were staring to fall in love with her and that was very special to me. She will be greatly missed everyday! Jessica Landrum

“ My first memory of Aunt Jody was when i was just a toddler. Uncle Tim and Aunt Jody were not married yet.. I remember sitting on the back steps of either her or Tim's home and Aunt Jody was blowing bubbles... I thought this was the neatest thing ever and I have always held my memories of time spent with Aunt Jody as precious gifts from God. Nothing will be the same with out her...
